

NEW!

Roxtec ComSeal -
A cabinet seal for
fast installation

Complete solution for fast and simple sealing

The Roxtec ComSeal is a new innovative solution for fast and simple sealing of openings with cables in cabinets. The frames are available in three basic sizes.

Supplied as kits

The Roxtec ComSeal frames are supplied as ready-made kits, which

simplify planning, purchasing and installation.

Two ways to attach

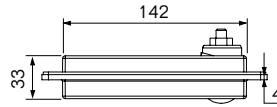

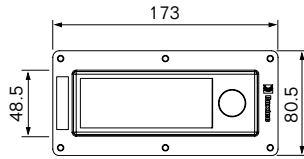

Roxtec ComSeal can be attached either to the inside or the outside of a cabinet. This benefit comes in handy to compensate for interfering equipment in cramped spaces and to make installation convenient.

Benefits

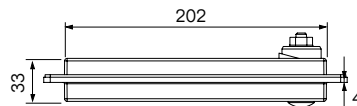

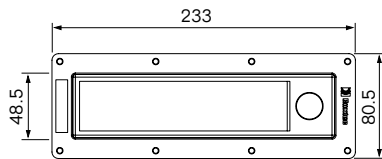

- Available in three standard sizes
- Supplied in complete kits
- Approved for IP 55
- Two ways attachment
- Light weight material
- Multidiameter™ by Roxtec – adaptability through modules with removable layers

We Seal Your World

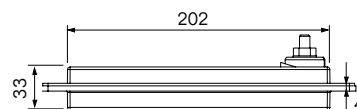

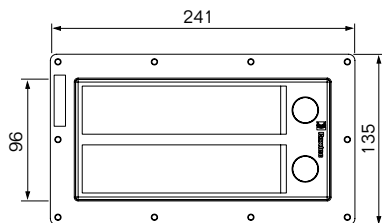

Roxtec ComSeal
